

APPROVAL OF NEW CARRIERS

Declaration is given to: SJURSØYA CONTAINERTERMINAL AS (terminal)

Instruction for carriers transporting goods to ships within an ISPS area

We declare:

1. That our employees are trustworthy workers who are familiar with the contents of this declaration, and understands the importance of proper handling of all deliveries
2. Our truckers will carry ID-card with a picture. This ID-card will be carried so that is always visible
3. Unauthorised personnel will not gain access to shipments, during loading and discharging
4. The documents will be in accordance with the shipment
5. The transport has been done with a minimum number of stops, and that the transport has been sealed or under supervision.
6. If there are signs of illegal access to the transport and/or the cargo, both the terminal and the shippers will be made aware of this.
7. During transport no unauthorized personnel will be part of the transport
8. When access to an ISPS area is permitted the trucker will be aware and follow the rules and regulations for admittance and behaviour in this area.
9. The trucker has knowledge about and will carry out the transport in accordance to this agreement. A copy of this agreement will be available in all trucks used in transport of cargo to an ISPS-area.
- 10 The truckers is informed that the terminal can performe inspections, and will in some cases require access to the truck.
- 11 The terminal will be made aware of changes that may affect this declaration.
