WELCOME TO

Sjurøy

containerterminal

To avoid unwanted incidents and accidents it is very important to observe the following safety rules on the Sjursøya Container Terminal. Please read these simple rules before driving into the terminal.

Driving regulations:

- To ensure the operations on the terminal all ground markings and signs must be followed. Shortcuts will not be tolerated.

If any problems, please call the gate:

22 48 30 30

For your safety:

- Pedestrians are not allowed on the terminal.
- Containerlocks shall be unlocked in the gate before entering the terminal.
- Containers will not be delivered or received if the driver is not standing in the designated area.
- Always establish eye contact with the driver of the straddle carrier
- Containers are to be locked/unlocked at the gate.
- Personal safety equipment such as safety clothing and helmet shall always be used when visiting the terminal.
- Never touch the container during loading or unloading.
- Mobile phones and electronic devices for listening to music must not be used during operations.
